Flexible Spending Account Eligible Expenses

Which expenses can be reimbursed by an FSA?

Your Health Care Reimbursement Flexible Spending Account lets you pay for medical care expenses not covered by your insurance plan with pre-tax dollars. The expenses must be primarily to alleviate a physical or mental defect or illness, and be adequately substantiated by a medical practitioner. The products and services listed below are examples of medical expenses eligible for payment under your FSA, to the extent that such services are not covered by your medical and dental insurance plan.

Unfortunately, **we cannot provide a definitive list of “qualified medical expenses.”** A determination of whether an expense is for “medical care” is based on all the relevant facts and circumstances. To be an expense for medical care, the expense has to be primarily for the prevention or alleviation of a physical or mental defect or illness.

The following are examples of FSA-eligible expenses:

- Abortion
- Acupuncture
- Alcoholism treatment
- Ambulance
- Annual physical examination
- Artificial limb
- Artificial teeth
- Bandages
- Birth control pills
- Body scan
- Braille books and magazines
- Breast pumps and supplies
- Breast reconstruction surgery
- Capital expenses (improvements or special equipment installed to a home, if meant to accommodate a disabled condition)
- Car modifications or special equipment installed for a person with a disability
- Chiropractor
- Christian Science practitioner
- Contact lenses
- Crutches
- Dental treatment (not including teeth whitening)
- Diagnostic devices
- Disabled dependent care expenses
- Drug addiction treatment
- Eye exam
